## BUSINESS EXPANSION

### GLENDALE MERCHANTS TO ESTABLISH BRANCH STORES IN CITY OF BURBANK

Taking advantage of the building boom now on in Burbank, which will provide fine business locations, merchants and business men of Glendale are preparing to take advantage of the opening, by establishing branch stores there.

One of the most beautiful of these blocks has been built for a moving picture theatre and is known as the "Victory Building." Glass partitions separate the stores on either side from the theatre entrance and therefore afford splendid display windows for those stores which have been leased by Mr. and Mrs. Findlay, confectioners in this city, and by Mrs. Blanche L. Daigh, proprietor of the "Smart Shop." She is also opening a "Smart Shop" in Eagle Rock. A corner store in the "Victory Building," Burbank, has been leased by George E. Clayton, of this city, for a branch Dodge Agency, and he expects to take possession of it about the middle of June.

In another building on the same street and not far away a store has been leased by the Glendale Phonograph & Piano Company, which will be fitted up along lines similar to the company's store here, and in the beginning it will be under the direct management of one of the Salmacia Brothers.

### WE MUST NOT LOSE HIM

This is the last Community Sing before the summer vacation and it is vitally necessary that there be a large attendance and that all who are in arrears on their pledges come prepared to pay up in full. The treasurer will be there at 7 o'clock for this purpose. Prof. Kirchoffer leaves soon for a two months' vacation and he must be paid in full before he goes. Steps should be taken tonight, also, to secure him as leader when he returns, for many similar organizations are trying to get him away from us. He is so thoroughly efficient and so in touch and sympathy with Glendale's aims that it would be folly to allow him to leave us.

## FRENCH WAR ORPHANS

### GLENDALE FAR EXCEEDS QUOTA IN TAG DAY DRIVE FOR CHILDREN OVERSEAS

While Mrs. Nanno Woods is not prepared to furnish for publication a complete report of the sales of Tag Day for French War Orphans because not all the reports from schools have reached her, she states that the drive in Glendale was a big success and far exceeded the expectations of the Central Committee in Los Angeles, which had assigned Glendale a quota of only 700 tags whereas 5000 were used. This means that returns of between \$450 and \$500 were realized. It is safe to say that every school in Glendale will support at least one orphan and some of them will have quite a family of little ones dependent upon them. As soon as all the returns are in Mrs. Woods will publish a detailed report. Besides the work of the schools, several Glendale organizations raised funds enough to enable them to adopt a French orphan.

### PATRIOTIC EXERCISES AT HIGH SCHOOL

At 11 o'clock this morning students of Glendale High were addressed by representatives of the N. P. Banks Post of the G. A. R. and W. R. C., the list of speakers including Comrades C. R. Norton, W. C. Gibbons, George W. Sanford and Mrs. Priscilla Houdyshel.

At 2 o'clock this afternoon exercises in connection with the demobilization of the service flag of the school are to take place on the campus around the flag pole for which a fine program has been arranged. This will include:

Addresses by returned soldiers and sailors who were graduates of Glendale Union High School.

Chorus: Boys' Glee Club. New peace song to the air of "Perfect Day."

History of the service flag by Miss Irene Mueller.

Roll Call and Taps.  
Lowering of the Service Flag.  
Community Singing of "America the Beautiful."

Salute to the Flag and singing of "Star Spangled Banner."

Reception to returned soldiers and sailors.

WEATHER FORECAST—Fair.

## DECORATION DAY

### ORDER OF EXERCISES TO HONOR THE MEN WHO DIED TO SAVE THEIR COUNTRY

As has been the custom in the past, members of the Grand Army of the Republic will be central figures in the exercises in which a grateful people will pay tribute to the men who made the supreme sacrifice demanded by patriotism. But this year they will share the post of honor with the younger veterans of the world war whom a merciful providence has restored to us in larger numbers than we had dared to expect.

#### Morning Exercises

As usual at 10 o'clock Friday morning members of N. P. Banks Post and Corps will assemble at Grand View Cemetery in Burbank to decorate the graves of comrades who lie there.

The P. E. car which veterans are planning to take will reach Brand and San Fernando Road 9:05 and will arrive at the Glendale station on Brand and Broadway at 9:13. The program for the exercises at Grand View Cemetery has been prepared by pupils of the Burbank High and Grammar Schools.

#### Afternoon Program

At 1:30 o'clock at the corner of Brand Boulevard and Colorado, all the patriotic orders of the city, and the majority of the civic and fraternal orders, clubs, schools and private citizens, will assemble and form in line for a march to Forest Lawn Memorial Park where Decoration Day exercises will take place and where flowers will be placed on the graves of our soldier dead, also on the symbolic grave which will represent the dead who sleep elsewhere, some in war cemeteries in France, some beneath the sea, and the unknown graves of which we have no record.

A notable feature of this gathering at the corner of Brand and Colorado will be the presentation, by Mayor F. L. Muhleman, of a beautiful flag, of finest material, handsomely mounted, to Pershing Camp. Jas. F. McBryde, Camp Commander, will receive the flag in behalf of the Order. The following business men and firms contributed the funds necessary to purchase this beautiful gift: The Monarch Co., Glendale Paint & Paper Co., C. W. Kent & Son, Dr. Steelman, Ezra F. Parker, Cornwell & Kelly, Roberts & Echols, A. G. Spohr, First National Bank, Bank of Glendale, Gas Company, Yager's Confectionery, Glendale Laundry, C. D. Lusby, A. T. Cowan, Chaffee Grocery and Christy's Grocery.

#### Order of the Parade

Following will be the order of the parade:

Members of Glendale City Council, N. P. Banks Post, Grand Army of the Republic.

Women's Relief Corps of N. P. Banks Post.

Spanish War Veterans, League of American Defenders, Sons of Veterans, Other Organizations.

A full list of the organizations which will be in line is not obtainable, but, without doubt, all will be represented, including the Glendale Chapter of the American Red Cross, the Daughters of the American Revolution, Glendale Elks' Lodge (which has undertaken to provide automobiles to carry members of N. P. Banks Post in the parade), the Parent-Teacher Associations of the City, children of the city schools, the Glendale Sanitarium, Glendale Horseshoe Club, the Tuesday Afternoon Club and various other organizations, besides the many private citizens who are expected to join the line of march either on foot or in automobiles.

After the cemetery is reached a program which has been arranged by representatives of N. P. Banks Post and Pershing Camp, League of American Defenders, will be given, which has been outlined as follows:

(1)—Singing of "America" by all present.

(2)—Song by quartette.

(3)—Address by Rev. Charles H. Scott, representing the Grand Army of the Republic.

(4)—Music.

(5)—Address by Lieut. Dwight Stephenson, representing the League of American Defenders.

(6)—Grand Army ritual conducted by member of N. P. Banks Post.

(7)—Reading of Lincoln's Gettysburg Address by Joseph Griffin, representing the Sons of Veterans.

(8)—Ceremony at the graves, including the strewing of flowers on the symbolic grave.

#### NO PAPER TOMORROW

Complying with our regular custom, no paper will be published from the Evening News office tomorrow, May 30th, that day being one of the established holidays of the Evening News.

## PEACE TREATY CHANGES

### ALLIES ADVISE GERMAN FOREIGN OFFICE THEY HAVE BEEN MADE, BUT DO NOT GIVE PARTICULARS

(Special Service to Glendale Evening News)

Berlin, May 29.—The Allies have advised the German foreign office that some changes have been made in the peace treaty. The message did not indicate whether the changes are important or whether they affected clauses to which Germany has objected.

Theodor Wolff, in an article published in the Tageblatt, asked: "Does Wilson intend to establish in Europe the slavery that Lincoln abolished?" He declared the counter proposals embodied the democratic idea of right instead of the militaristic conception that it is Germany's duty to heal Belgium's wrongs with money.

## FIRE AT COLOGNE

### BURNING OF BUILDING OCCUPIED BY AMERICANS SAID TO HAVE BEEN IGNITED BY AMMUNITION DUMP

(Special Service to Glendale Evening News)

London, May 29.—An Exchange Telegraph dispatch from Cologne, dated Wednesday and received today, states that the fire in the building there occupied by Americans was ignited from an ammunition dump. The message also says that there are "eighty missing," but does not state whether they are Americans.

## MEMORIAL MESSAGE FROM PRESIDENT

### HE WILL SPEAK TOMORROW AT AMERICAN CEMETERY NEAR PARIS, AND PERSHING AT FOUR OTHERS

(Special Service to Glendale Evening News)

Washington, May 29.—President Wilson today cabled a memorial message to the White House, paying a high tribute to the American soldiers and declaring: "The impressive lesson and the inspiring mandate of the day" is to fulfill the hopes and purposes of the men who died fighting for their country.

The President is to speak tomorrow in the small American cemetery near Paris, where men who were killed in Belleau Wood and Chateau Thierry are buried.

General Pershing will participate in ceremonies which will take place in cemeteries at Dun-sur-Meuse, Beaumont, Romagne and Thiécourt. Romagne is the largest American cemetery, 10,000 being buried there.

A total of 70,000 American graves will be decorated.

## AUSTRIAN PEACE TREATY DELAYED

### AT THE REQUEST OF BRATIANO, OF THE BALKAN STATES, POSTPONEMENT IS MADE

(Special Service to Glendale Evening News)

Paris, May 29.—The plenary session of the peace conference postponed the presentation of the peace treaty to Austria until next Monday.

Just before the session opened, Premier Venizelos of Greece and former Premier Bratiano of Roumania had a wordy argument. As soon as the session opened, Bratiano, in the name of the Balkan States, asked that the presentation of the treaty be postponed until Monday, and his request was granted.

## EXODUS OF WAR OFFICIALS

### MEMBERS OF THE ADMINISTRATION "WAR CABINET" ARE TENDERING RESIGNATIONS

(Special Service to Glendale Evening News)

Washington, May 29.—Members of the administration "war cabinet" are planning to relinquish their posts. It is expected that Herbert Hoover and Chairman Vance McCormick of the War Trade Board, Chairman Baruch of the War Industries Board, and Chairman Hurley of the Shipping Board, will quit within the next few months.

Friends of Secretary Baker say that President Wilson knows Baker is anxious to leave the cabinet. Secretary Baker officially denies that he is planning to resign, but it is generally understood that he is arranging to retire as soon as war work is concluded, as soon as Congress has completed the proposed investigation of the War Department and the President feels he can spare him.

Fuel Administrator Garfield has already resigned, but he is still at work.

Chairman Creel of the Public Information Committee sent his resignation to the President several weeks ago, but it has not been accepted.

## DOES NOT SEEK PRESIDENCY OF U. S.

### OLE HANSEN, MAYOR OF SEATTLE, DENIES HE IS REPUBLICAN CANDIDATE FOR THE OFFICE

(Special Service to Glendale Evening News)

Spokane, Wash., May 29.—Mayor Ole Hansen of Seattle, in an interview today, denied that he is a candidate for the Republican presidential nomination. He said: "Any man who seeks the Presidency has a swelled head."

## BEWARE OF IMPOSTORS

### TELEPHONE COMPANY EMPLOYS SPY TO SPREAD TELEPHONE PROPAGANDA

There is a man of retired farmer appearance walking about on our streets very leisurely these days noting window displays and occasionally entering into conversation with merchants and other citizens whom he meets. The trend of his conversation turns upon the present telephone troubles now existing in Glendale. The position this public benefactor (?) takes at first seems to be somewhat neutral, but very soon there springs up a seeming desire in the stranger's talk to warn the person addressed of the folly of ordering out Sunset phones, and assures the listener that it will be impossible for a municipal organization to get telephone equipment as all telephone appliances are tied up by the large corporations.

This honest-appearing old impostor is hired by the telephone company to slyly misrepresent conditions and work up propaganda favorable for the company. He is a spy and his actions should be so considered.

There are hundreds of mutual and independent telephone systems being operated today in the United States, and it is possible for them to purchase poles, wire and all kinds of modern telephone instruments. Why should the Pacific Telephone Company employ a man to attempt to fill the minds of the people with any such delusions? Beware of this honest (?) faced old deception. He is your enemy and is being paid for being your enemy.

### MRS. ROOT IN PROBATION WORK

Mrs. W. D. Root on Tuesday entered upon the duties of a probation officer in Los Angeles for the probation court under Orpha Shontz, referee of the Superior Court. She took the Civil Service examination some time ago and is doing substitute work in the absence of one of the officers. The call came just at a time when she was expected to be in attendance on the W. C. T. U. convention at Santa Ana, but she was able to take in the Wednesday afternoon and evening sessions. The time of her going to Japan has not been definitely settled.

## KNIGHTS INSTALLED

### GLENDALE COMMANDERY, K. T., NO. 53, INDUCTS OFFICERS FOR THE YEAR

Impressive ceremonies for the installation of officers for the coming year of Glendale Commandery, Knights Templar, No. 53, were held Monday evening, May 26th, at Masonic Temple.

Representatives of the Grand Commandery, who conducted the ceremonies, were Eminent Sir Clem L. V. Moore, Acting Grand Commander; Eminent Sir Mattison Boyd Jones, Acting Chaplain; Eminent Sir Edward Daniels, Acting Warden.

Officers installed were: Sir David G. Crofton, Commander; Sir Percy Priaulx, Generalissimo; Sir Daniel Campbell, Captain General; Sir Geo. U. Moyse, Senior Warden; Sir R. V. Hogue, Junior Warden; Sir O. E. Von Oven, Prelate; Sir C. C. Rittenhouse, Recorder; Sir F. H. Vesper, Treasurer; Sir H. L. Redd, Standard Bearer; Sir W. S. Herzog, Sword Bearer; Sir R. M. Grumling, Warder; Sirs Thomas D. Ogg, C. O. Pulliam and Edward P. Jennings, Guards; Sir C. H. Ravenscroft, Sentinel.

After the installation services, Past Commander Charles L. Peckham was greeted with an appropriate address by O. E. Von Oven and presented with a beautiful Past Commander's Jewel as a memento and reward of his faithful and efficient service while in office.

There is the most flattering prospect that during the coming year the social life of the Commandery will be carried out as in the past, and there being a great deal of Templar work on hand, it is predicted that the new officers will have a most successful year.

The finances of the Commandery are in an excellent condition and improving all the time pointing, to a date not too far distant in the future when the Commandery will have its own home with a building suitable to the needs of the Order.

There was a good attendance of members at the installation and a great deal of enthusiasm was shown.

Dr. C. Stuart Steelman is driving with his family to Idlewild and from there will go to a still higher camp at an altitude of 7,000 feet, to spend the week-end.

## TELEPHONE PROFITS

### W. H. NISBET TELLS OF PRIVATE EXCHANGE WHICH MADE MONEY AT LOW RATES

W. H. Nisbet, who is associated with Glenn Porter as a salesman of furniture, tells of a private telephone exchange of which he witnessed the birth at New Woodstock, in New York State, where he was a traveling salesman for eighteen years. In that town the population was only about 300, but its people decided they wanted a telephone exchange. There were two young business men of the town without much means, but a large stock of enterprise. They succeeded in borrowing the necessary capital and in arranging with the Bell Company to be left undisturbed provided that corporation got the long distance calls. From the town the line extended out into the country, two, three and four miles, where subscribers (the farmers) were often half a mile apart, gradually unifying the small surrounding settlements. In spite of the fact that it was so small a town and the population served so scattered, the charge was moderate, \$1.50 per month. In ten years' time one of the men came out here to California and reported he had sold out his half interest in the telephone company for \$10,000. He said he had just about made a living out of his mercantile business, and the money that he and his partner had made had all come from the telephone business at the low rate of about \$1.50 a month. At the time the exchange was established the community was not even an incorporated village.

## HONORS TO DEBATERS

### FRANK BALTHIS WINS GOLD PIN—SILVER AND BRONZE AWARDS TO OTHERS

Wednesday at the seventh period, the awarding of debating pins took place at the High School. According to the constitution of the Student Body, any student who represents the High School in one league debate is entitled to a bronze pin. If he represents the school in two league debates, he is entitled to a silver pin, and in four debates to a gold one.

Honors were conferred on six students. To Frank Balthis who, it will be remembered, captured the \$20 prize at the oratorical two years ago, and who won the silver pin last year by participating in debates with Lincoln and Pasadena High Schools, went the gold pin, for which he surrendered the silver one given him last year. This year he won against Santa Monica and was on the team scheduled for the Hollywood debate. At the last minute, after all his preparations for the contest were made, he was taken sick and was unable to go. While technically he had not completed the four debates which the award calls for, yet because of the work he had done on the fourth debate and because he was prevented from taking part through no fault of his own, the cabinet voted to give him the gold pin.

To Philip Wernette, who won in the debate against Santa Ana last year, and who participated this year in both of the big Hollywood debates, was awarded the silver pin. Readers will recall that he received the \$20 oratorical prize this year.

John Worley, a comparatively new student in Glendale High, took part in two debates, one at Santa Monica in January, and one in Glendale in March. To him was given a silver pin.

To Guy Bennett was awarded a bronze pin. He took part in the debate against Hollywood in January and won a place on the team for the second debate, but on account of illness was unable to participate.

Leland Wise, who was in the final debate against Santa Monica in which he and Worley won, also received the bronze pin.

To Jack Jenkins, who went into the final Hollywood debate as a substitute for Frank Balthis, was given the bronze pin.

These trophies were presented with pride and in his usual happy manner by Prof. W. D. Root, who worked faithfully with students in this department and contributed in no small degree to their success by sound criticism and encouragement. Each recipient made an appropriate little speech of acceptance.

### EASTONS MOVE TO L. A.

Mr. and Mrs. William H. Easton, who have been residents of Glendale, moved Wednesday to 807 West Third Street, Los Angeles, where they have purchased a restaurant of which they took possession last Sunday.

## DECORATION DAY INVESTED WITH NEW SACREDNESS

During the Civil War, when brother's hand was lifted against brother, when great church bodies were divided on the question of slavery and nearly every home in both North and South mourned a loved one gone, there arose among the devoted women of the South the beautiful custom of decorating, at stated times, the graves of their fallen heroes in the local cemeteries and on battlefields where possible. They still continued the custom after the war was over, but had no stated time for this observance. In 1866 the Grand Army of the Republic was organized by ex-Union soldiers, and early in 1868 General John A. Logan, the first department commander, issued an order designating May 30th of each year as Decoration Day, when the graves of all Union soldiers were to be strewn with flowers, the ceremonies to be in charge of local G. A. R. posts. The custom was extended to include the graves of all soldiers, whether of the Revolutionary War, War of 1812 or Mexican War. And soon it was noted that no distinction was made in Northern cemeteries between Union and Confederate dead, but all graves were decorated alike. Soon the government designated Decoration Day as a national holiday, and it is now recognized as the one day in the year when particular honor is paid to the dead defenders of the country.

Sad to say, the commercial spirit gradually crept in to mar the sacredness of the day, and sports of various kinds were scheduled to take place in rivalry to the spirit of devotion to our hero dead. Having been set apart by the national government as the one day in the year sacred to the memory of our patriot dead, and so recognized by public services under government auspices in national cemeteries in the South, it would seem that the sordid spirit of mere commercialism of sport should never have entered in. But ball games, races of various kinds, swimming matches and the like have come to be emphasized to a far greater degree than the real intent of the day. Many an old soldier, who sacrificed the joys of home and possessions, who marched weary miles in all kinds of weather and bared his breast unflinchingly to shot and shell, has been saddened and disgusted by the spirit of sport and gain that pervaded this day of sacredness to him. Now that the veterans of the recent world war are home to take part in the exercises of this day of hallowed memories, it is hoped that their influence may tend to loosen the hold that sport and commercialism have fastened upon Decoration Day. With the memory ever before them of scenes too awful for description, of comrades dying by their sides or falling to destruction from the clouds above, they are in no mood for frivolous sport. These millions of the bravest boys that ever faced an enemy have a mighty influence, and if they set their faces as one man against the desecrating touch of sordid commercialism which mars this day of days to the defender of his country, the purging will be accomplished. And already the leaven is working. We look to the time, not far in the future, when on this day for lovingly decorating the graves of the heroic dead, naught will be thought of but the sacred duty for which it was set apart; when games of all kinds will be frowned upon and a mighty people unite in one great nation-wide observance of Decoration Day.

As far as Glendale is concerned, this turn for the better seems to have come already in this city, for, so far as known, no games of any kind have been scheduled to take place here.

Decoration Day comes to us this year with the President of our beloved country making memorial addresses in a foreign land. It is indeed to be regretted that this century has not produced a man in the United States, other than Woodrow Wilson, who can creditably represent the interests of the United States, and thus permit our chosen leader to remain at Washington.

**Personals**

Mrs. Edward Dissett, of Los Angeles, was a luncheon guest on Monday of Mrs. Thomas Meagher, of Garfield Ave.

The Bentley-Schoeneman Lumber Co. is closing its yards for both Friday and Saturday, and all hands will go fishing.

Fred L. Thompson, of 214 West Harvard, is again in Chicago. He left Monday and will be gone for two or three weeks.

Rev. E. H. Williford has been engaged to give the address at a large Memorial service to be held Sunday, June 1st, at Alhambra, at 4:30 o'clock in the afternoon.

Next Tuesday evening there will be an open meeting at K. P. Hall, 109 West Park Avenue. The doors will be thrown open to the public at 8. There will be music and speaking, followed by cards and dancing. All invited. No charge.

J. E. Peters, who recently sold his bungalow home at 400 West Colorado, has bought Mrs. A. W. Dow's large, two-story residence at 209 N. Orange Street, and the vacant lot adjoining, and will move as soon as possession can be given.

The sister and mother of Mrs. Fred L. Weisenheimer, who have been spending about a year in Glendale, left Tuesday for their home in Canada. En route they will stop and visit relatives in Muskegon, Michigan.

Mrs. Frank C. Nell, of 1146 Stanley Avenue, has been laid up for a few days in consequence of a fall from a step ladder while house cleaning. The accident is particularly unfortunate in that Mrs. Nell's husband is a helpless invalid and she is the sole support of the two.

Sam Brown of 1243 Mariposa has returned from Fresno, where he attended the Knights of Pythias Grand Lodge session. The outstanding feature of the meeting was the taking of initial steps looking toward the establishing of a home for orphans and old people. The meeting next year will be held at Merced.

Mrs. J. R. Sibley of 417 West Maple, tells us that she and two of her near neighbors have already had their 'phones taken out as a protest against the unannounced raise in rates and the unwarranted toll charge, though none of the committees securing signatures had yet visited the block in which she lives.

Mrs. H. P. Goodwin has gone today to the New Methodist Hospital in Los Angeles to undergo an operation which will probably detain her at the hospital for about six weeks. During her absence the Goodwin home will be closed as Mr. Goodwin will make his headquarters at the University Club in Los Angeles that he may be near his wife.

This morning (Thursday), Mrs. Charles Emery and her small son arrived on the Owl for their annual visit with Mrs. Samuel Pollock, of 419 West Park Avenue, and Mrs. Kassael, who are the mother and sister of Mrs. Emery. They will be here for several weeks and will later be joined by Mr. Emery who will come south by auto and after his arrival they will probably do considerable touring of Southern California.

The Southern California Gas Co. employees had another midnight outing at Santa Monica Tuesday—about the same crowd as before—but luck forsook them. They saw others gathering in fine "jack trout," but few came to their hooks. They had a very good time, however. Louis Nunn made their eyes bulge with tales of the fisherman's luck of a colored boy who used gum drops for bait. Louis took a good supply along. No results.

W. F. Hemenway, of 347 West California Avenue, was the victim of a novel theft a few nights ago. He and his wife were awakened at 2:30 in the morning by the sound of an auto passing the house. Then it stopped, turned and came back. One man jumped out, came across the lawn and up to the porch and abstracted a bottle of milk that was sitting on the railing. Hereafter Mr. Hemenway will take in the milk the night before.

**ATTENTION, BROADWAY P. T. A.**

All who can take part in the Memorial Day parade are requested to come to Colorado Street, just east of Brand, at 1:30, as we will form in line there.

By order of the President,  
MRS. KULP.

All lumber yards of Glendale have announced that they will be closed all day Friday and Saturday.

**TO RAISE RUSSIAN WAR VESSELS**

TOKYO, April 31. (By Mail to United Press)—After fifteen years, plans are being made here to raise a score of Russian warships sunk in the Battle of Japan Sea during the Russo-Japanese war.

The warships still lie at the bottom of the sea off Korea, Kyushu, Iki, Tsushima and Sandino.

A petition has been sent to the Fukuoka Prefectural Office asking that proper authority be given a number of Japanese capitalists to float the vessels.

**LEST WE FORGET**

Mrs. C. L. Peckham, representing the Woman's Relief Corps of the N. P. Banks Post of the Grand Army of the Republic, addressed pupils of the Columbus Avenue School at patriotic exercises held this morning at 11 o'clock, at which addresses were also made by representatives of the post. She said:

"Children, teachers and comrades: Tomorrow is Decoration Day, and we will all be in line at 1:30 and march to Forest Lawn Cemetery. Do not forget your baskets of flowers to strew on the graves of our fallen heroes.

"I belong to the Woman's Relief Corps, representing the grandest order of which I have ever known, the Grand Army of the Republic. It was these comrades who made it possible for us to have the American flag today. It is with a heart full of gratitude toward our boys of '61 and the soldiers and sailors of 1914 that I come before you today to remind you not to forget.

"Guard well that flag—your flag, my flag, the people's flag—the flag that makes us free. God bless the flag! Let it float and fill the sky with its beauty. Our heart-strings thrill with love for it. Be true to the sires who wove it in pain by the old camp fires.

"Hallow the dream of Memorial Day. It is ours to tenderly, lovingly strew fragrant flowers o'er the dead heroes who fought for the right, leaving our banner unsullied and bright.

"Hallow the mem'ry of the deeds they have done,

Tell of the laurels their valor has won;

Hallow the graves where our soldier boys lie,

Under the light of the blue ether sky. Pride of our country, her treasure and blest,

Peaceful thy slumbers, unbroken thy rest.

"They are coming home to the blare of bands,

To the proud applause and acclaim.

To the wreaths and songs and yearning hands,

And the hearts that are all aflame.

"We are waiting for those who, with courage high,

Went forth to the flaming fray;

When their ship comes home our hearts will cry:

'Here's the end of a perfect day!'

"They are coming home with the victory won,

With the world made fair and free.

And the lands that cringed from the lash and gun

They restored to their liberty.

"And the ones who sleep 'neath the far-off sod,

We will join them all at the Throne of God,

At the end of some perfect day.

"Cover them over with beautiful flowers,

Deck them with garlands, these brothers of ours,

Lying so silent by night and by day,

Sleeping the years of their manhood away.

Give them the honors the future forecast.

Give them the chaplets they won in the strife,

Give them the laurels they lost in their life.

"Above their rest there is no sound of weeping,

Only the voice of song-birds in the air;

Unknown their graves, yet they are in God's keeping—

There are none missing from His tender care,

In Flanders fields where poppies grow."

**FRUIT GROWERS IN CONVENTION**

RIVERSIDE, Cal., May 29.—Five hundred experts on various branches of horticulture and farming, and active farmers and fruit growers opened the fifty-first annual Fruit Growers and Farmers Convention here yesterday, as the big event in Riverside's Horticultural Week.

The convention will remain in session until Saturday. While its meetings will center here, field day trips with practical demonstrations will take the convention to both Corona and Pomona citrus districts.

Fumigation of orchards including the liquid hydrocyanic process, will be given particular study.

Aside from the technical knowledge which the meetings will disseminate a closer unity of the western states and of Mexico, British Colum-

### TUJUNGA

We regret to learn that Mrs. Leo  
Lang underwent an operation at Los  
Angeles on Monday afternoon, and is  
in a very serious condition. All who  
know her hope for the best, and that  
she may regain her health speedily.

At the regular meeting of the Wo-  
man's Club, which was held at the  
home of Miss Zoe Gilbert on Thurs-  
day, the 22d, Mrs. Dean gave an out-  
line of conditions in Russia, during  
the time of Nicholas II, and was  
followed by Mrs. Chas. Dean, with a  
reading and discussion of "Bolshev-  
ism and the Soviet," which was en-  
joyed very much by all present, for  
the reason that they received the op-  
posite side of the reports that we are  
regaled with by the newspapers. This  
gives one a chance to weigh and bal-  
ance the facts on both sides, and ar-  
rive at a fairer estimate of the situa-  
tion. The next meeting will be on  
June 26th, the fourth Thursday of  
the month. On this date occurs the  
yearly election. Mrs. Linaberry will  
give a talk on "Birds of This Valley."  
Also the lesson on Political Economy.  
The meeting will be held at the home  
of Mrs. Linaberry on Monte Vista  
Blvd. at 2:30 p. m.

Billy Bates succeeded in demon-  
strating his skill in marksmanship  
by shooting a huge rattler through  
the head last week, in the hills back  
of his home. It was five feet long  
and had nine rattles. Billy has only  
one competitor and that is "Rattle-  
snake Bill," the Alredale belonging  
to Mr. Wright, the mail carrier. This  
dog is a successful hunter of rattle-  
snakes, and after being bitten three  
times, now sets up a loud call for help  
when he finds one, and allows some-  
one else to kill them.

Mr. Hough, on Pine Street, under-  
went an operation in Los Angeles on  
Saturday and is reported as getting  
along nicely.

Mr. Spencer, the actor, who lives  
in Los Angeles, came up last week  
to stay with his family over Sunday.  
He purchased some shells for his gun  
and after returning from a tramp,  
laid the gun on a table, and proceed-  
ed to run the phonograph for a while.  
While busily engaged in changing  
records, little Jack Lekie, six years'  
old, spied the gun, picked it up, aim-  
ed and shot it. The bullet entered  
Mr. Spencer's forehead, just under  
the skin, deflected and came out  
above the ear, making an ugly flesh  
wound. He immediately went to Los  
Angeles to the hospital for treatment.  
It is hoped nothing serious will come  
of it.

Mr. and Mrs. Richards, who for-  
merly occupied the Thayer house,  
were callers on Mr. and Mrs. Dean on  
Sunday. Mrs. Richardson expects to

return to Tujunga this week, as she  
cannot remain in the city on account  
of asthma.

Mr. and Mrs. Whitman, of Santa  
Monica Avenue, are at their cottage  
on San Ysidro Road.

News was received here of the  
death of Paul Bryant at his home at  
Downey on Sunday morning. All who  
knew Paul during his stay here, loved  
him, and extend sympathy to the  
father and mother thus bereaved. He  
made a brave fight against the dis-  
ease for the past two years, but it  
would seem without avail. He was  
the only son, and his loss is a great  
bereavement to the father and moth-  
er.

Mr. Saeger, who formerly lived  
here, and now of Casa Verdugo, was  
sent to a sanatorium this week. He  
has been in very poor health for  
more than a year, from high blood  
pressure. His wife, who has so  
faithfully cared for him, is heart-  
broken over the separation, and the  
outcome of his illness. She has the  
sympathy of all who knew them.

A letter from Mrs. Ben Clark re-  
ports that Mr. Clark has gone to Ari-  
zona for the summer. After an at-  
tack of "flu" last winter one arm re-  
mains paralyzed, and he is trying the  
hot, dry air of that state. Miss Pearl  
graduated from the Eighth Grade at  
Long Beach this month.

Miss Emma Kraft attended the  
goat exhibition at Pasadena last Sat-  
urday and received four prizes on her  
does. She also sold her goat Pharis,  
a thoroughbred Nubian, to parties in  
Ohio for a nice sum.

After a three weeks' stay at her  
home here, Miss Batchelder returned  
to her home in Los Angeles on Fri-  
day.

Mrs. Darlington is in Redlands  
helping to care for her mother, who  
is very ill.

Dean & Co. have sold the former  
Jack Radcliffe place on Cedar Avenue  
to Miss Charlotte Leach, of Los An-  
geles.

Miss Pemberton, of San Ysidro  
Road, has been quite ill the past  
week.

Miss Gilbert has again rented her  
cottage to parties from Los Angeles,  
who expect to stay for some time.

The house and lot formerly owned  
by Mr. and Mrs. Saeger of Casa Ver-  
dugo, was sold on Wednesday  
through Dean & Co. to G. H. Besse-  
meyer, of Los Angeles.

David Costello has sold his home  
on Monte Vista Blvd. to Mr. White-  
side, of Los Angeles.

### SUNLAND

The work of the Sunland Branch  
of the Los Angeles Red Cross, which  
has been so successfully carried on  
for the past two years, has come to  
an end. We were notified by the Los  
Angeles Chapter that no more work  
would be required of us. The last  
meeting was held at the home of Mrs.  
Booth, on Wednesday afternoon. Af-  
ter paying all bills, we had to our  
credit, \$425. This was turned over  
to the Los Angeles Chapter to be  
used in their work. We also decided  
to organize a ladies' auxiliary to our  
Chamber of Commerce. A meeting  
will be held soon to finish this or-  
ganization. We would like all who  
are interested in our rally to attend.  
Due notice will be given, when held.

The Ladies' Aid of Tujunga M. E.  
Church will hold a bazaar on the af-  
ternoon and evening of June 7th.  
Dinner will also be served in the  
evening from 6 to 8.

### OUR BEST ARGUMENT

That which we have seen with our  
own eyes and our hands have han-  
dled, what we know from our own  
actual experience, that from the days  
of the Pioneers of this "The best  
country on earth" on down to the  
present year of Grace, 1919, "The  
American homes are demanding the  
best Sanitary Equipment." Where do  
they go for information, not to their  
Doctor or Lawyer, but to the man  
whose business it is to qualify in  
the best methods and can explain to  
them intelligently. I have now fin-  
ished forty years of actual service  
in every branch of this important  
work. A work which spells Health  
to the Home and community. Come in  
and let us talk it over.

Yours for Sanitation,

### WOMEN ASK FUNDS FOR FOR- EIGN HOSPITAL WORK

(By United Press)

NEW YORK, May 29.—With trav-

mediate relief in Serbia and the Far  
East, the American Women's Hospi-  
tals, the official war agency of the  
Medical Women's Association, is con-

### LISTEN TO THIS

Do you want to get in on a high-  
class investment in an income busi-  
ness property in the heart of the  
Business District, where your invest-  
ment will bring you 10 per cent. an-  
nually, besides getting the advantage  
of the increase in value of this boule-  
vard frontage. This proposition is  
absolutely the best thing in town to-  
day, and will merit your investiga-  
tion.
